Incident Objectives

1. **TESTING:** Develop community testing and point prevalence surveillance strategies in accordance with the Governor's priorities.
2. **CONTACT TRACING:** Develop a contact strategy to keep the rate of spread within the capability of existing healthcare capacity.
3. **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings in the community.
4. **EQUITY: EQUALITY AND ETHICAL CONSIDERATIONS:** Ensure all operations are actively centered on and consider impacts to the most under resourced individuals and communities. Integrate, prioritize, measure, and validate equitable and ethical practices for all response and recovery decisions, actions, and resource allocation.
5. **SUPPLY CHAIN MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and materials can meet an evolving demand environment.
6. **FEDERAL AID AND RECOVERY PROGRAMS:** Begin working with local governments and other eligible applicants for federal aid.
7. **SUSTAINMENT:** Prepare to maintain operations for the remainder of the year and respond to any secondary outbreaks and other emergencies.
8. **Safety:** Keep the citizens of the Commonwealth's health and safety and that of incident personnel a top priority in all decisions and actions.

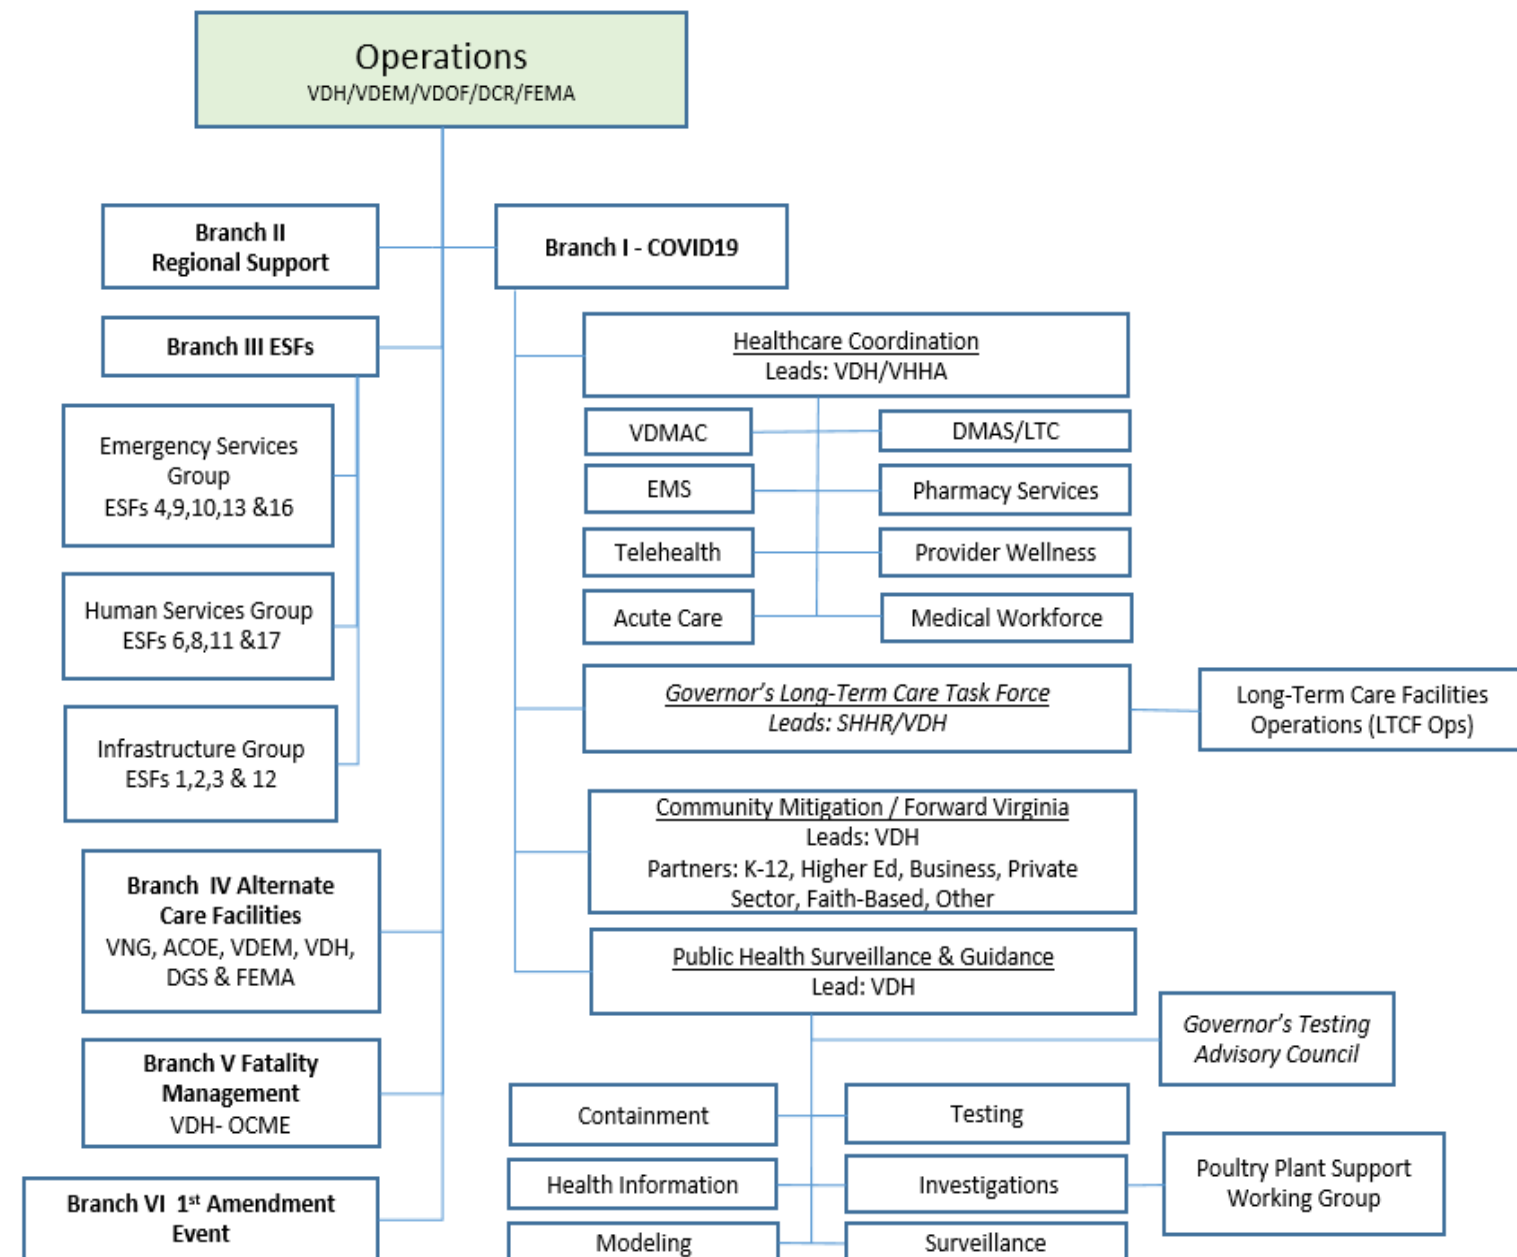

COVID-19 Organizational Chart

COVID-19 Organizational Chart

Commonwealth of Virginia COVID-19 Unified Command

June 1, 2020

ESF-8 Public Health and Medical Updates

- On June 18, Governor Northam [presented](#) the third phase of the “Forward Virginia” plan to continue easing public health restrictions while mitigating the spread of COVID-19. The Commonwealth does not yet have a targeted date for entering Phase Three. Phase Three guidelines for specific sectors can be found [here](#).
- On June 19, Governor Northam [announced](#) new guidelines and testing requirements for reopening long-term care facilities, and outlined how the Commonwealth will direct \$246 million, primarily from federal Coronavirus Aid, Relief, and Economic Security (CARES) Act funding, to support long-term care facilities in their response to COVID-19.
 - VDH’s state-specific [guidelines for nursing home reopening](#) require licensed nursing homes, certified skilled nursing facilities (SNFs), and certified nursing facilities (NFs) to conduct baseline and ongoing testing of all facility staff and residents while those facilities are in the first phase of the reopening process. Testing recommendations for latter phases of the reopening process are under development and will be informed by what is learned in the initial part of reopening.
 - Governor Northam also announced that, given the changing nature of the pandemic in Virginia, VDH will begin releasing [facility-specific data](#) regarding COVID-19 cases and deaths associated with long-term care facilities.

Number of COVID-19 testing sites in Virginia as of 6/22/20:	391
Number of Medical Reserve Corps (MRC) volunteers deployed on 6/17/20 – 6/21/20:	645
Number of visits made to the VDH COVID-19 website on 6/17/20 – 6/21/20:	625,050
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 6/17/20 – 6/21/20:	1,246

COVID-19 Workgroup Updates

- **Healthcare Coordination**
 - Efforts continue to further expand pharmacy-based testing capacity. Pharmacy reimbursement for testing is being addressed with insurers and other stakeholders.
 - Remdesivir continues to be received from HHS and distributed through the VDH Division of Pharmacy Services in accordance with the distribution plan. 14,400 vials have been received to date.
 - Planning has initiated for COVID-19 and influenza vaccination campaigns.
- **Public Health Surveillance & Guidance**
 - Workgroup continues to ensure that case investigation, contact tracing, monitoring, point prevalence surveys, and public health and commercial laboratory testing efforts are expanded through additional staffing, resource acquisition, and public outreach and education.
 - As of 6/21, the Virginia National Guard has collected over 50,004 samples and completed 166 testing missions, including 133 point prevalence surveys and 33 community events.
 - Local health districts are actively conducting community testing events across the state with a particular emphasis on reaching underserved, vulnerable and high-risk populations.
- **Community Mitigation**
 - The VDH [website](#) continues to be maintained with guidance for schools, workplaces and other community settings.

COVID-19 Workgroup Updates

- **Governor's Long-Term Care Task Force**
 - Point Prevalence Surveys (PPS) continue to be conducted at long-term care facilities.
 - The Center for Medicare and Medicaid Services (CMS) has released guidance and recommendations pertaining to the phased reopening of nursing homes, which is guided by baseline and regular testing of all residents and staff.
 - The guidance document for Virginia's phased reopening and testing processes for long-term care facilities is now [available](#).
 - The U.S. Department of Health and Human Services (HHS) assigned a mission to the Veterans Health Administration to deploy teams of infection prevention and control specialists to Virginia. The teams will help provide non-regulatory infection prevention and control assessments (IPCAs) in long-term care facilities who need these to progress through the nursing home reopening phases. Moreover, the facilities can take advantage of the IPCA teams to provide specialized attention, facility specific solutions, ensure readiness for inspection, and provide feedback ahead of regulatory CMS surveys. Facilities are currently being scheduled for these voluntary assessments.

Number of Cases (by Region): 4,797 cases / 111 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none">• Maintained Situational Awareness of current severe weather threats and regional power outages.• Coordinated resource requests.• Continue to maintain situational awareness and assist localities with liaison support and facilitating resource requests for First Amendment Events.• VANG carried out a PPS testing mission (Woods Cove)	<ul style="list-style-type: none">• Develop strategies for communicating Recovery/Reimbursement information to localities and partners.• Coordinate PPE Requests.• Coordinating with VAARNG and VDH for testing capabilities.• Maintain SA and provide reporting on COVID-19 related data in Region 2.• Develop and acquire resources to maintain regional resiliency.• Continue to assist the localities with liaison support and facilitating resource requests for future planned First Amendment Events.• Several ongoing VANG PPS Mission Updates.

VDEM Region 3

Number of Cases (by Region): 3,801 cases / 84 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
	<ul style="list-style-type: none">• Region 3 Partners call 1300 Wednesday.• Coordinating PPE requests and deliveries.• Working with local EMs and agencies to ensure PPE needs and burn rate information is kept current.• Providing information and answering questions regarding the new recovery process.• National Guard coordinating FIT testing and PPS testing.• N95 fit testing, PPS testing, and community testing is being conducted throughout the region.• Monitoring protests and rallies throughout region 3.

Regional Support West

VDEM Region 4

Number of Cases (by Region): 774 cases / 28 fatalities

Accomplishments

- Worked with VDEM Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities.
- Worked on an approved mask list for the Battelle System.

Significant Activity Next 24-72 Hours

- Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

VDEM Region 6

Number of Cases (by Region): 1,456 cases / 37 fatalities

Accomplishments

- Facilitated legislative/VARNG TAG visit to NRV HD.
- Implemented Battelle System at Virginia Tech.
- Conducted conference calls w/ regional stakeholders.
- Implemented Courier System for test samples VDH/VARNG.
- In-processed new VARNG LNO.

Significant Activity Next 24-72 Hours

- Providing information to all stakeholders on PPE process.
- Supporting testing initiatives across VDH/VARNG/localities.
- Support local fatality management planning efforts.
- Coordinate w/VDH/NSPA to support LTCs.
- Coordinating fit testing support.
- Support VDH Epi Investigation conflicts.
- Initiating delivery services for PPE via VARNG

VDEM Recovery Dashboard #14 – June 22, 2020 – COVID-19 Event, DR-4512-VA

This product is designed to highlight key open source reporting on significant events for VDEM executive leadership.

Information cut off time: 1500 Hrs

VEOC Status: Partial Activation

State Declaration: March 13, 2020

Major Disaster Declaration : January 20 - ongoing

VDEM Actions

- FEMA/VDEM Virtual JFO leadership are holding PA calls on Mondays, Wednesdays and Fridays.
- Recovery Section Chiefs participating on CRC calls with Regional Support every Friday.

Public Assistance (PA) Updates:

- Applicants will have 30 Days from the end date of the Public Health Emergency to enter an RPA
- The Applicant Briefing presentation is posted on the [VDEM Coronavirus website](#).
- Working with FEMA to assign PDMGs (Program Delivery Managers) to Applicants that have requested customer service assistance throughout the PA Process.
- Applicants can continue to email Recovery at Recovery@vdem.virginia.gov to request a PDMG

FEMA Non-congregate Sheltering Approvals:

- FEMA Statewide approval for homeless populations
 - Extended through July 16, 2020
- FEMA Statewide approval for first-responders
 - Extended through July 16, 2020

FEMA Hazard Mitigation Grant Program Request:

Pending

FEMA Individual Assistance (IA) Requests:

- Crisis Counseling:
 - Awarded on May 27th
 - Period of performance ends June 29th
 - Extension pending
- Disaster Unemployment Assistance
- Disaster Case Management
- Other Needs Assistance (ONA)
- Temporary Sheltering Assistance
